Prayer for Quadratos

O Gracious One

Our minds take delight in Your pattern
Our emotions become quiet in Your harmony
Our hearts magnify in Your glory

For we know that it is
Your truth alone which endures
and comes to fruition as You wish.

In confidence, we ask
Your grace upon Quadratos.

Give to her workers this day - their every
need:
friendship,
courage,
finances,
patience,
strength of character,
vulnerable hearts,
wise discernment,
and above all - an abiding love for all and
everyone.

We pray this in the name of The Christos -
Your One Breath that Breathes in All.

Amen.
